SKILLS & ABILITIES

Web Development
JavaScript (ES6)
Bootstrap 4
CSS 3

Object Oriented Programming
MySQL 5.7
PHP 7.2
Angular 6

Detail Oriented
Analytical
Team Player
Critical Thinker

EXPERIENCE

WEB DEVELOPER

DEEP DIVE FULLSTACK WEB DEVELOPMENT JAN 2019 – MARCH 2019

After 400 hours in this intensive bootcamp I used all the programming languages above and created three fully functioning mobile-first websites.

Aced the Bootstrap web-design, two data-design challenges, the database assessment, and the final json assessment.

Based on only a picture of a website and skeleton html created an identical website by only adding CSS.

BOOKKEEPER

ATKINSON CPAS MAY 2018 – NOVEMBER 2018

DUKE CITY AQUATICS SEPTEMBER 2014 – MAY 2018

MCKINNEY & ASSOCIATE CPAS DECEMBER 2014 – APRIL 2015

Acquired supporting documentation, classified business transactions, entered transactions into accounting software, addressed inconsistencies, reconciled client accounts, generated financial reports, processed payroll, and made tax payments.

Organized over 5 years of backdated financial records for Duke City Aquatics and brought them up to date for corporate tax filing. I also founded and maintained Duke's Charitable Foundation, a 501 (c)(3) dedicated to raising thousands in funds for their athletes travel, competitions and equipment.

Executed general administrative functions for McKinney CPA's including answering phones, organizing files, mailing returns, scheduling meetings and handling client payments.

SWIM COACH

FISH FACTORY SWIM SCHOOL JUNE 2015 – MAY 2018

DUKE CITY AQUATICS AUGUST 2009 – AUGUST 2014

WEST MESA PIRANHAS MAY 2010 – APRIL 2013

Taught children and adults fundamental and advanced swimming and water polo skills while ensuring a fun and safe learning environment.

As the Head Coach of the West Mesa Piranhas and Duke City Aquatic's Age Group I coordinated and organized team events, tournaments, fundraisers, meetings, travel trips, volunteers, workout strategies, and staff.

Led the WM Piranhas from 12th place to 4th place champions after one season by implementing effective training and competition strategies, quintupling it's size, and organizing it into a community of motivated athletes and parents.

EDUCATION & CERTIFICATIONS

DEEP DIVE FULL STACK WEB DEVELOPMENT,

After 400 hours in the bootcamp I successfully created several mobile-first websites using the programming languages mentioned in the skills section.

AMERICAN INSTITUTE OF PROFESSIONAL BOOKKEEPERS,
